

The Slate

We are excited! Our Melbourne excursion is not far away.

Thank you to all our families for returning your expression of interest forms for our trip to Melbourne on the 7 September.

Attached to this newsletter is the permission and medical forms. Also your child/ren's dinner preference form. Could you please fill in and return to school with the money for their dinner by Tuesday 5 September?

Wanted!!

Can you tie knots? If yes, we want you!

In ART for the next two lessons, the students will be sewing. All you would be doing is untangling wool and tying knots. (Soooo many knots!) It just means students will have less wait time when they need help with their sewing, and boy do they need help when sewing... Contact the school if interested.

CATERING @ SPRINGHURST

Thank you to all the hard-working parents who gave up their time to help with the catering. We always get heaps of compliments about how tasty our meals are. We made a whopping \$1050.00 We would especially like to thank the generous people who donated cash and meat. A special thankyou to Georgie who did a fabulous – if somewhat stressful – coordination of the night.

Student of the Week

Well done to our students of the week.

Aiden has shown growing maturity in learning and play. His positive efforts have been noticed in Music, which is not his favourite subject. Even so, he has a go at all learning activities and we might have even heard him singing. We are also impressed at his ability to encourage and support our junior students with his gentle kindness.

Amber is never scared of a challenge and continues to excel in her writing efforts. All the students were invited to submit a poem or story for a Tree Day Competition and Amber put in extra time to complete her entry. Well done on always working well to combine words and ideas to make your pieces interesting to read. Momentous!

Art Awards

Congratulations to Erica for the flair and personal touches you add to your work. Grand efforts, James, for taking risks in your art pieces with new ideas and skills.

Happy Birthday this week to Wynter. We trust your special day was as pink, sweet and frosted as your birthday cake.

Word of the Week

Vibrant: *to explode with colour or energy.*
Also a great description for our energetic learning which recently included: quizzing a scientist, travelling to Antarctica, travelling back in time, digging up fossils and Book Week fun.

Building Works

Please note that, currently, the school can only be accessed by the front door or rear decking. Plumbing work has started at the side steps and will be blocked off until further notice.
