

The Slate

We have had another exciting term at Springhurst Primary. I can't believe we finish at the end of next week. A reminder that school finishes at 2.30pm next Friday and commences again after the Anzac Day holiday on Tuesday 26th April. I hope you enjoy the break and we'll see you all next term.

School Council

I am very pleased to announce our school council office bearers. Deasy Waycott (President), Julia Barwick (Vice President), Keren Fryar (Treasurer), Georgie Fuge and Jason Brooker. The school council represents you so these are the people to talk to.

Welcome back BBQ and opening of our new outdoor area

We had a great turn up for our welcome back BBQ. There were ten families represented and five staff members. Thankyou for your support.

Catering

This Friday is our first catering opportunity for the year. Each term we are rostered on to provide a meal at the hall to raise money for the school. This is a fabulous opportunity to fundraise and socialise with the Springhurst community. If you could help out please come to the hall at 6.30pm. Dinner is served at 7.00pm. Hope to see you there!

Cold Symptoms

A number of students have been sent to school with quite heavy colds. If your child is displaying any symptoms of a cold, please keep them at home until they are better and symptoms are gone.

Colour Run

When: Wednesday 6 April

The day will start with a BBQ lunch for the students at 1.00pm. (students won't require lunch that day). At 2.00pm the students will begin their walk/run around Springhurst town. At approximately 2.45pm the students will arrive back at school. When they enter the school they will be 'coloured'. If you have sponsored to be a 'thrower' please be at the school by 2.30pm. Any parents who have a spare 30 minutes or so, we would love some help with manning the run/walk course. Could all sponsorship forms be returned to school by Wednesday. Thank you to those families who have already returned their forms.

Zooper
Doopers
50cents
Mondays,
Wednesdays
and Fridays.

Sporting Schools

Sporting schools for this term has seen the students enjoying Futsal.

Money raised from catering will go towards purchase of some timber stain and varnish.

E Safety Information

Parents and carers can use a combination of strategies to help young people build their digital technology skills and have safer experiences online

5 tips to keep your family safe online

2. Create a family technology agreement.

Creating a Family Technology Agreement can help you and your kids decide together when and how digital technology will be used at home. As a family, brainstorm easy-to-follow rules and display them where everyone will see them. Your agreement could cover things like: time limits, apps your kids are allowed to use and online behaviour. Families with younger children can download a template to guide the conversation.
