

The Slate

Hi Everyone

We have had a great start back from the holidays. The students have settled in really well. This term is going to be a really busy term. We have two camps, and excursion for the junior room, tree planting and the athletic sports to name a few. As well as all that – of course we will be busy learning literacy and numeracy.

Have a great fortnight.

Wendy

Catering at the Hall – tomorrow night

Our next catering opportunity is tomorrow night at the hall. Thank you to all those people who have volunteered either to help make the food or assist on the night in the kitchen. Our catering is the main fundraiser for our school during the year so it is vital to have support.

Tree Planting

Tomorrow we are tree planting in Tarrawingee as a part of 'Schools Tree Planting Day'. Students will have lunch before they leave. They will be provided with a snack whilst planting the trees. Please provide your child with appropriate footwear.

COVID 19 Update

Attached to this newsletter is a letter that was sent to all schools on Monday evening. This letter is requesting that all students over the age of 8 and all staff wear masks in class until the end of term 3.

RAT Tests are still available to all families until the end of term 3. Just let us know if you would like a box.

Athletics sports are back!

After a couple of years absence, I am happy to tell you that our Athletics Sports are back. We will be going to Chiltern Primary school to compete against them. We will be the yellow house with Chiltern divided into the other three colours. We have been busy practising our sprinting, discus and shotput so far and the students are really keen. The sports are scheduled for Wednesday 24th August at Chiltern Primary School. More details to follow.

Camps

Attached to this newsletter are camp permission notices. Please send back to school by **Monday 25th July** as we have to forward this information to the appropriate camps.
Grades 2 – 6 Howman's Gap camp
Grades 5 and 6 15 Mile Creek Camp.
During this time an excursion for the junior room is being planned. More details to follow.

Thank you to Daryl representing the Terry Floyd Foundation with a cheque for \$1000 to go towards new books for the MARC van. We appreciate all you do for us.

Milo at Breakfast Club
Come and try it. Doors close at 8.45am.
Hope to see you here!

Helping kids thrive online

General tips for supporting your child online:

- Help build confidence by encouraging children to share their knowledge of the online world.
- Encourage routines that promote health and balance. For example, create device-free times and places in your home.
- Model your own behaviour, by demonstrating that you can put your phone down and concentrate on spending time with your child, without the distractions of being online.
- Talk to your child about who could be their ‘askable adult’, and when they would speak with them.
