

Thursday 23 June 2022

# The Slate

**Professional Practise Day – Friday 24<sup>th</sup> June – no school for students**

Hi Everyone

Well it has been a very wet end to term two. The grounds look beautifully green, however very wet underfoot. As you visit the school, you may notice the shade sails. These were installed on Monday and will be welcome addition for the sandpit in Summer. We have a few jobs to complete at our working bee on 17<sup>th</sup> July so I hope as many families can come as possible.

I hope you have a fabulous holiday. See you on the 11<sup>th</sup> July.

Wendy

## Catering at the Hall

Our next catering opportunity is on Friday the 22<sup>nd</sup> July at the hall. We would love to see some new faces – so if you can help, please contact the school or Deasy. Our catering is the main fundraiser for our school during the year so I hope you can support us.

# Disco

Tonight

Wear something blue

5.30 – 6.45pm

## Camps Term 3 – dates in calendar

We are very fortunate to be going on two camps in Term 3. The first camp is to the snow at Howmans Gap. This camp is free of charge! Due to the impact COVID has had on a number of students, DET has offered schools free camps. We have been fortunate to book Howmans Gap near Falls Creek. EVERYTHING is paid for – transport, food and accommodation, ski lessons and clothing. This camp is for the Grade 5 and 6 students however we are offering it to our Grade 2 students as well. The camp is for 3 days and 2 nights. Permission forms and further information will be sent home first week back. Our second camp is our usual bi-annual camp to Fifteen Mile Creek. This camp is for 5 days and 4 nights and the cost is \$165. This is a fabulous environmental camp for our Grade 5 and 6 students. More information next term.

# Working Bee

Sunday 17 July @ 10 am

Hope to see you here!

### E Safety Information

#### Helping kids thrive online

General tips for supporting your child online:

- Support your child's friendships online and off by talking with them about their friends and activities.
- Ask your child to demonstrate the games and apps they use to better understand what they play, why it's fun and possible pitfalls they may encounter.
